Price Quote

Please provide your price quote by filling out the highlighted information in the Attachment below.

We are seeking a “brand name or equal” to the brand and item number described. Therefore, if you do not have the exact brand, you may offer a substitute as long as it meets the specifications outlined in the RFQ. If you are offering a substitute item, provide relevant specifications (such as a sales sheet), and photographs.

Incomplete offers will not be considered. Only offers able to supply all of the commodities in the quantities and colors needed, and that are technically acceptable to the specifications will be considered.

Conditions:

The US Embassy intends to award to the lowest-priced, technically acceptable offer.

By quoting, you agree that you have read and agree to:

- Payment will be via US Government purchase order (PO). Vendors must be willing to accept a PO, including the US Government terms and conditions which apply to government purchases.

For US Companies Only

Before the purchase order is generated, all vendors must be registered and in good standing with the US Government's System of Award Management, which will include getting a Dun and Broadstreet DUNS number and an NCAJE code. The process is free. You can read about it here: www.sam.gov. You must be willing to complete this process if you have not done so already.

Additional Information (US companies only):

Do you have a DUNS Number? (yes/no)

If so, what is your DUNS Number
